Six Little Stories With Lots of Meaning

(1). An entire village decided to pray for rain. On the day of prayer, all the people gathered, but only one boy came with an umbrella.

That is faith.

(2). When you toss babies in the air, they laugh because they know you will catch them.

That is trust.

(3). Every night we go to bed without any assurance of being alive the next morning, but still we set the alarm to wake up.

That is hope.

(4). We plan big things for tomorrow in spite of zero knowledge of the future.

That is confidence.

(5). We see the world suffering, but still, we get married and have children.

That is love.

(6). On an old man's shirt was written, "I am not 80 years old; I am sweet 16 with 64 years of experience."

That is attitude.

Have a blessed day, and live life like these six stories.

"Let us draw near to God with a sincere heart and with the full assurance that faith brings...Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds...encouraging one another...all the more as you see the Day approaching." Hebrews 10:22-25
